### **Win a Centre Parcs pass at Hamilton Lodge Open Day**

You could win a Centre Parcs pass at a fun day organised by local autism charity NORSACA. The fun day takes place at the charity's Hamilton Lodge centre, which works with adults with autism, on Thursday 21 April.

The day has been organised to celebrate the centre's achievements over the past year and raise funds.

Claire Merriman, a Tutor at Hamilton Lodge said *"Our Fun Day is a great way for us to celebrate the achievements of the adults with autism we work with. We'll also be raising funds by having staff members locked in the stocks during the day!"*

Other activities on the day include the sale of crafts made by adults who attend Hamilton Lodge, a gardening stall, a BBQ and a raffle. Prizes have been donated by a number of organisations including Centre Parcs, ASDA, Broadway cinema and a local hairdresser.

NORSACA (Nottingham Regional Society for Adults and Children with Autism) is a registered charity (No. 517954) and a company limited by guarantee (No. 2053860). The Society was started on the initiative of a group of parents in 1968 and today is still led by the parents and friends of people with autism.

Each year NORSACA delivers services to over 500 people with autism, or affected by autism. The people who benefit from NORSACA's work principally come from the East Midlands and South Yorkshire.

Autism is a complex, life-long disability which affects the development of communication, social and life skills.
